

NCWMA's Invasive Species

COMMUNITY TOOL SHED

Are you in need of tools to remove your backyard
invasives species?
Looking for advice on how to treat your buckthorn,
honeysuckle, etc.?

LOOK NO FURTHER!

The Northwoods Cooperative Weed Management Area (NCWMA) has a community tool shed to check out equipment at no cost for your own invasive species removal efforts. The NCWMA also has a variety of cooperators knowledgeable about any of your invasive species management questions.

Some of the equipment available to check out:

- Loppers & Pruners
- Small & Large Hand Herbicide Spray Bottles
- Backpack Sprayers
- Safety Glasses
- Gloves
- Additional personal protective equipment
